Alaska Association for  
Career & Technical Education

*Preparing Alaskans for Successful Careers*

RESOLUTION 14-3  
**Alaska's Workforce Development Plans**

WHEREAS, Alaska's Workforce Development Plans including the Oil and Gas, Health Care, Education, and Maritime Plans, recognize the need for preparing Alaskans to meet the needs for these careers and workforce opportunities in Alaska;

WHEREAS, Alaska's Workforce Development Plans provide a comprehensive state plan for aligning K-12, postsecondary, business and industry in preparing Alaskans for these career pathways and workforce demands and opportunities;

WHEREAS, Alaska's Workforce Development Plans recognize the career pathways and need for career education and technical skills training for Alaska's youth and adults;

WHEREAS, Alaska's CTE Plan also recognizes the coordination, cooperation and collaboration of the Alaska Department of Education and Early Development, Alaska Department of Labor and Workforce Development and the University of Alaska in building a statewide comprehensive system of career and technical education to meet Alaska's workforce development needs;

WHEREAS, Alaska's Workforce Development Plans and Alaska's CTE Plan focus on career pathways and strategies for addressing the career and technical education and training needed to meet these business and industry needs;

THEREFORE BE IT RESOLVED that Alaska ACTE supports the implementation of these workforce development plans with recognition and state support for career pathways, career and technical education and training needed to prepare Alaskans for these workforce opportunities.
