

Alaska Health Care Academy Career Exploration Workshops

Do you want to help others and make a difference? Here is your opportunity to learn more about the good jobs and careers in health care. Anchorage offers a variety of health care jobs, and the demand for new workers is growing. There are hundreds of health care job openings every year. Are you interested in health care occupations but don't know where to start?

Start Here! Take advantage of FREE training. Let us help you find a career in health care.

Sign up to attend one of our four-day workshops. There are 2 to choose from.

- Workshop #1 - explore direct patient care jobs including personal health care attendant, nurse assistant, surgery technician, pharmacy technician, and others.
- Workshop #2 - explore office occupations that keep a medical facility running smoothly such as health information technician, medical office assistant, coder/biller, medical assistant, medical transcriptionist.

Each workshop offers lots of hands-on experience and promises an interesting and informative week! Take advantage of a 5th day of training and earn your Heartsaver First Aid/CPR Certificate through the American Heart Association.

Learn more about Alaska's fastest growing job market and begin your career path to a good job and career today! Workshops begin March 7. The spring 2016 schedule is below.
